## 4th Grade Language Arts and Social Studies

### Language Arts

**We will read a variety of novels, conduct author studies, and produce creative, rigorous, projects each quarter. Books are our travel guide to other worlds!**

### Social Studies

**We will travel back in time, to learn about the history of New Jersey, discuss current events within our state, and complete projects giving us hands-on experience with our state's condition. Let the journey begin!**
