Battle of Homerooms Program

To: Teachers grades K-8

From: Mrs. Jasmine Morrison, School Counselor/High School Placement Coordinator

Cc: Ms. Danielle West, CAO/Director & Dr. Carl Bampoe, Assistant Director

Let the battle begin! Battle of the homerooms is school wide recognition and incentive program developed by the legendary Ms. Richards, former School Social Worker. It was developed to encourage and hopefully increase our scholars' motivation to perform well both behaviorally and academically.

All homerooms will start with 100 points starting the first school day of each month. Points will be added or deducted based on positive or negative reinforcements of behaviors. Homeroom teachers will use this following chart to keep track of their homeroom's points each month. Each new month allows new opportunities for rewards and recognition.

The administration can have other incentives at any time to increase points for homerooms. Furthermore, if teachers give a reprimand or a compliment to a homeroom, they are to notify the Homeroom Teacher. The two homerooms (One homeroom in K-4 and one in 5-8) with the most points will earn a “Fun Day” at the end of the month. The “Fun Day” will include an opportunity to receive an ice cream social or Pizza Party. Also, the homeroom winner in grades 5-8 will earn two merit points per student! Good luck to your homeroom!
