

Welcome to the School of Visual Art at The Queen City Academy Charter School

Art Educator: Mrs. Ellmers

Objective: To culturally educate children in the fine arts.

Course Description:

- Analyze and create artworks based on the elements and principles of art.
- Study a variety of artists from various cultures to inspire their own original artworks.
- Explore an array of media including ink, collage, charcoal, paint, pastel, clay, pencil and marker.
- Recognize the value of critiquing one's own artwork as well as the work of others in a positive and nurturing environment.
- Encourage students to use problem solving skills when creating art.
